The Dalmore range is one of true prestige & excellence. With royal heritage dating back to the reign of King Alexander III in 1263 when Colin of Kintail saved the king from the fury of a charging stag. For this act, the Mackenzie clan were granted use of the 12 pointed royal stag for their coat of arms. The same emblem sits proudly on each bottle of Dalmore that leaves the Ross-shire distillery.

Our Dalmore whisky experience is the perfect introduction to the brand. Including 2 staple malts & 2 exquisite & more complex bottles available within the range
